

PREMIUM NATIVE OVERVIEW

The Selfmademoney Plan

Affiliate-First JV Splash Build

A JV-style splash and affiliate promo build designed to package the Selfmademoney Plan with stronger visual energy, cleaner offer framing, and launch-friendly structure.

project-specific media

social + pdf ready

premium overview card

Built from each project's actual visuals and offer language.

Readable enough for social, polished enough for decks and snapshots.

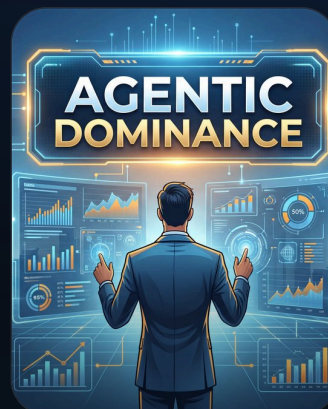

Differentiates service, product, funnel, and local-business builds more clearly.

01 Launch Fit

Built for affiliate/JV promotion with cleaner headline, visual hierarchy, and offer framing.

02 Why It Matters

Makes the offer easier to promote, easier to understand, and easier to position for partners.

Best use

Use this as a one-page promotional snapshot, internal brief, partner share, or social-first project card.

Why this version is stronger

Tighter hierarchy, cleaner spacing, better image framing, and a more premium family look across all projects.

03 Buyer Type

Affiliate traffic, launch visitors, and buyers responding to direct-response opportunity angles.

04 Next Move

Expand affiliate tools, launch assets, vendor copy, and conversion proof around the offer.

Recommended next layer

- carousel variants
- square post derivatives
- offer-type specific accent systems
- client-branded export versions
